## Beaded tassels

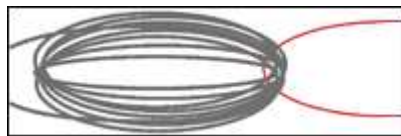

Beaded tassels can be fastened to the corners of triangular shawls and make a pretty decoration.  
Material and notions: leftover yarn, sewing thread, bead cap, bead and smaller bead for the finish.

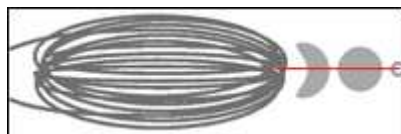

Wind the yarn approx. 50 x around a piece of cardboard cut to the desired length of the tassel.

Take the wrapped yarn off the cardboard.

Thread the sewing silk through the wrap and tie the ends into a tight knot.

Thread the sewing thread through the bead cap, bead and finishing bead.

Sew back and forth a few times until yarn and beads are joined neatly and strongly.

Cut the opposite end of the wrap open and trim the ends of the yarn.

Variation 1 (on the left side of the photo): Yarn with bead cap, bead, bead cap and finishing bead.

Variation 2 (on the right side of the photo): Yarn with bead cap and finishing bead.

*Have much fun with your needlework!*
